2	s1	A small fishing village must procure a local doctor to secure a lucrative business contract. When unlikely candidate and big city doctor Paul Lewis lands in their lap for a trial residence, the townsfolk rally to support him.
3	s2	A Metro Family decides to fight a Cyber Criminal threatening their stability and pride.
4	s3	After a man discovers his wife is cheating on him with a neighborhood kid he goes down a furious path of self-destruction.
5	s4	Pink breaks the mold once again, bringing her career to a new level in 2013 with a world tour that entertains unlike ever before! Get inside access to "the girl who got the party started" with exclusive interviews.
6	s5	Teenage Matt Banting wants to work with a famous but eccentric creature/special effects man named Chancey Bellows. He gets more than he bargained for when one of the creatures, the giant dragon, escapes.
7	s6	The story unfolds in an English seaside town, where Dom, an only child, faces the imminent arrival of a new sibling, and subsequently diminished attention from his mother. A stuffed toy dinosaur named Dom is the only friend he has.
8	s7	They are the "First Call, A-list" musicians, just 20 feet from stardom, yet rarely receive credit for their work. The "hired gun" community lives and breathes music, and for the first time, share their incredible stories.
9	s8	This honest, uncompromising comedy chronicles the war stories and sexual misadventures of a tight circle of lovers and friends fighting to get their acts together, for better or worse.
10	s9	A helicopter pilot and an environmental scientist lead a exodus of survivors in a search for a safe haven after a catastrophic tectonic event causes the crust of the earth to break apart.
11	s10	Sally Goodson is a devoted mother to her autistic son David. Abandoned by her husband, Sally has managed to keep her son out of "the System", until a social worker comes along.
12	s11	Amanda stumbles upon a hidden village of fairies in the forest. They help her thwart a scheming land developer's plan to trick her mother into selling the family inn.
13	s12	When a car crash leaves Frannie immobilized, she is brushed off by everyone she can count on. With nowhere else to turn, Frannie reluctantly calls her ex, Devon, for help. It isn't long before old wounds are reopened.
14	s13	After waking up in an apartment the night after a raging party, Sam comes face to face with his new reality, an army of zombies have invaded the streets of Paris and he is the lone survivor. Petrified with a mission to survive, Sam must find a way to escape the city.
15	s14	The documentary follows the midlife crisis of a man who opens his home for the cameras to film every moment, even allowing the cameras to film him in the most intimate of moments.
16	s15	Discover the meteoric rise of Elon Musk, the man who is transforming the way we think about travel technology through electric cars, the Hyperloop, and revolutionary ideas on how we live through artificial intelligence.
17	s16	Summer '03 is the hilarious story of 16-year-old Jamie and her family, who are shocked after her calculating grandmother unveils an array of family secrets on her deathbed, one involving religion, the other involving love.
18	s17	When a strange virus quickly spreads through a safari park and turns all the zoo animals undead, those left in the park must stop the creatures before they escape and zombie the whole city.
19	s18	A heart warming and inspiring series that welcomes the arrival of new members of the animal kingdom in Zoo's around the world, as well as showcasing endangered species being born in captivity, 'Zoo's' is a must-watch.
20	s19	Zoe Coombs Marr has been on hiatus. Sort of. For six years, she won stacks of awards and acclaim as a hack comic with a neckbeard called Dave. Whatever. She's scraped off the neckbeard and is back.
21	s20	ZOE tells a tale of forbidden love between an engineer and a robot. ZOE (Léa Seydoux) and COLE (Ewan McGregor) are colleagues and veiled lovers at a lab working to perfect romantic relationships.
22	s21	Chris and Martin Kratt bring their enthusiasm for animals to the new school cat.

The screenshot displays the RStudio environment. The top pane shows a script with R code for reading five CSV files into data frames (df1 to df5). The code includes comments and print statements for each data frame. The bottom pane shows the console output for the first two data frames, df1 and df2.
